

2025 Legislative Agenda

Continue to advocate for protection of public classroom funding; including opposing legislation supporting vouchers/ESAs/tax credits as well as any tax cuts that would divert money away from public schools

Continue to advocate for qualified teachers, the resources necessary to retain them, and legislation that protects them

Ensure local school districts remain autonomous in creating their own calendars, schedules, and policies within state regulations

Increase student access to social service providers, relevant nonprofits, and mental health professionals while at school

Support trauma informed instructional design, social-emotional learning, and mental health training for educators, students, and caregivers

Every Child. One Voice.

PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.
